As Year 2018 draws to an end, maimai is grateful for the past year that is full of celebrations and significant milestones.

Year 2018 marks our Golden mai50th Anniversary Year. It is a joyous occasion that is made possible with the contribution and the support of our stakeholders after 5 decades long. Such uncontainable joy is genuinely shared by all who are related to us as you would see and feel from the photos (pg 2-3) taken from the celebration night on 29 Sep 2018 at the Setia SPICE Convention Centre.

We trust that the contagious joy shall linger for a little while longer now that Christmas is just around the corner, and the New Year of 2019 is really not too far away.

Christmas is a time of hope. Hope is always inspiring. It enables us to appreciate the past and empowers us to look forward to the future with a positive state of mind.

At Maica, we always aspire to give back to our community. In 2018, maimai has played a part in contributing to the Penang Hospice Building Fund and running a fund-raising project for Fund for Chemotherapy Patients. We hope that the acts of kindness would bring cheers to the needy in our community, especially, when the festivities are approaching.

maimai would like to wish you a very Merry Christmas and an exciting New Year 2019!

## maimai's Seasonal Greetings

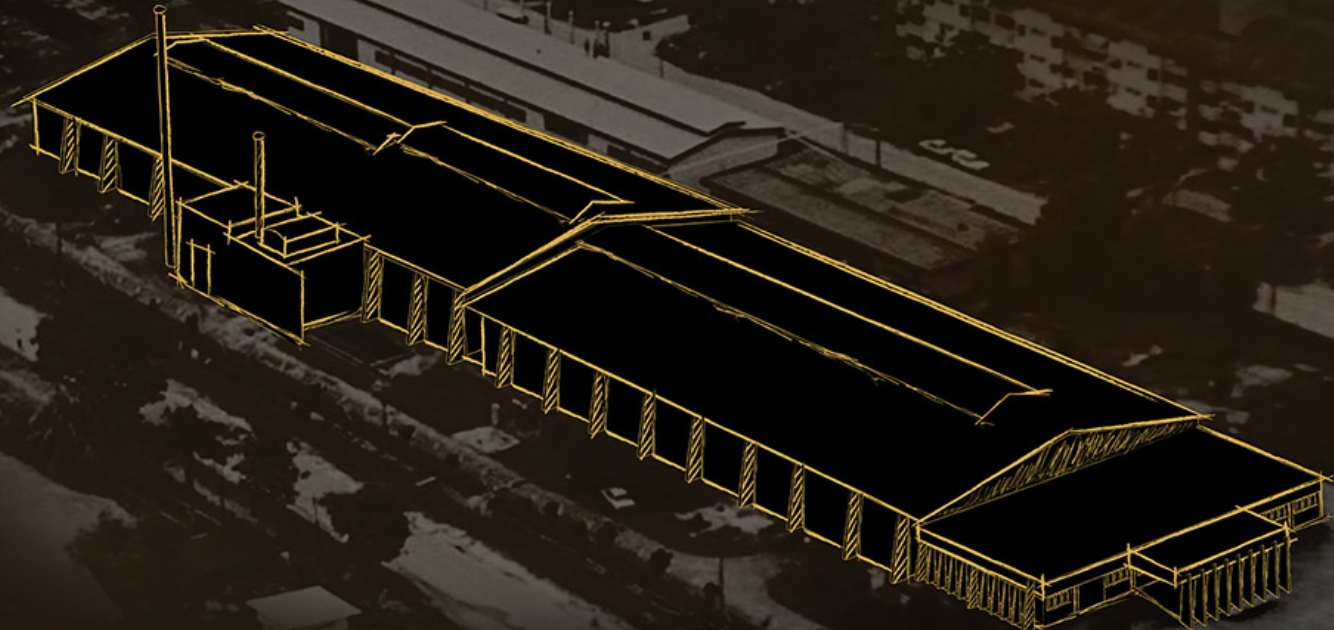

A season of reflection  
for the past year;

A season of gratefulness  
for challenges and successes;

A season to  
cherish one another;

A season to anticipate for  
great surprises for 2019.

# mai50<sup>th</sup> Golden Anniversary

**A humble beginning,  
A challenging 5 decades,  
A success to commemorate,  
A bright future to anticipate.**

Growing in tandem with the progress of the nation from the 1957 Independence, we plowed the ground, we weathered the storms, and we remain standing tall.

We would not have reached the 50th year anniversary milestone without the hard work of our employees and the support of our customers, business associates, shareholders, and the regulatory bodies.

We genuinely appreciate them. They have played an instrumental part in contributing to the success of Maica. We want to say a big thank you to them.

## Fund for Chemotherapy Patients

Fund for chemotherapy patients has been launched on 4 February 2018, in conjunction with the World Cancer Day, as part of maiCSR programme.

Maimai empathizes with the suffering of cancer patients. We hope to be a source of support and encouragement to them with the funds that are contributed by our fellow maimai.

Collection boxes are placed at our offices.

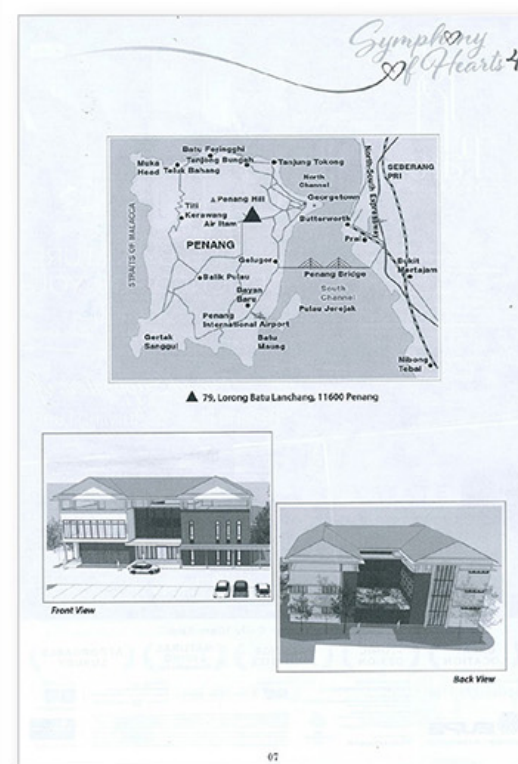

## Penang Hospice Building Fund

Penang Hospice Building Fund is set up with an aim to reach out to more palliative care patients and to provide them the Hospice Care.

maimai attended the 'Symphony of Hearts 4', a star-studded musical evening, on the 11th November at the E&O Grand Ballroom that raised fund for the planned Hospice Centre at Batu Lanchang.

We are thankful that we can play a part in supporting those who are in need of the Hospice Care.

To support or donate to the Penang Hospice Building Fund, please call 04-2284140 or email [penanghospicesociety@gmail.com](mailto:penanghospicesociety@gmail.com).
